Where fees remain outstanding for more than 90 days legal costs will be incurred which will also be charged to the Scheme.
3. Fees will be automatically drawn from the Scheme Bank Account. Where there are insufficient funds to meet the payment, Scheme investments will be encashed, where possible, to meet any fees due. 4. Annual fees are due in advance unless otherwise stated. Where services are to be terminated no pro-rata refunds will be made.
5. Where transactions become protracted or are more complex than the work typically involved in a standard transaction, Odyssey Pensions Limited reserves the right to increase the fees noted on this fee schedule. It will not always be possible to confirm this in advance.
6. A proportionate fee will be charged for any work undertaken on an aborted or pending transaction.
7. The scenarios detailed in this document are for illustrative purposes only. Actual costs will vary depending on the nature of a Scheme and the transactions undertaken.
